# Foreword

Although a century of learning and progress is seen foreclosing this year, the next century bears more promises. Seen within and without, changes have been made for the betterment of our school. We, the Delphian Staff of 1964, dedicate this year's edition to the past, present, and future generations of New Philadelphia High School.

Mr. Howey, has been our high school principal since 1962. As principal he is in charge of student and teacher programs, which requires much time and patience on his part. Much of the success of New Philadelphia High School is his direct responsibility.

Mr. Gartrell began his full time duties as guidance counselor in 1962. Student problems and other difficulties are handled by him. Soon new quarters will be available and our guidance program can be of more service to those who desire it.

# Don't Live in a Lonely Corner

Don't live in a lonely corner,
  Don't try to fight life on your own;
There are lots of folk want to be friendly,
  Who long for some kindness shown.

All life is an uphill journey--
  Don't take it without a friend;
There's plenty of folk who'll climb with you
  If a helping hand you'll lend.

Don't think that there's no one who loves you;
  If you do, then you've got life wrong;
Life's filled with the music of loving
  And no heart should sing a lone song.

I know that our pride isolates us,
  So does poverty, trouble, and pain;
And sometimes we suffer so deeply
  That we feel we can never explain.

But all human suffering is equal;
  It comes to the same in the end--
For whether you're rich or you're lonely,
  Your heart is in need of a friend.

So don't let your heart remain lonely
  When there's so much friendship to gain;
Remember that life needs love's sunshine
  And we all of us pass through life's rain.

STANDING: Virginia Clymans, Rebecca Young, Linda Doidge. SEATED: Carolyn Campo.

In keeping with the theme of the yearbook the Delphian has made a move to the future with a complete change of format and production. Our printing process is now offset as opposed to letterpress; our size has changed from 8 by 10 1/2 to 9 by 11. We are using full color as opposed to the duotone of last year.

We have experienced some difficulties due to the new process but we feel the quality can be improved in the coming years.

A typical middle-class family involved in typical situations is the theme of this dramatic activity. Every character had a function to perform and everyone had a problem to solve. The resulting action was interesting and humorous and of course everyone was able to find a solution to his particular problem. It was an enjoyable evening and the play was well performed.

## Quakers Finish Season With Sparkling Victory Over Dover

The record doesn't always tell the whole story! The New Philadelphia Quakers of 1963 ended the season with a 2-6-2 record, but that record includes a tie with state ranked Martins Ferry and losses to East Liverpool, Ashland, Bellaire, and Canton Lincoln. However, the Big one was a 12-8 victory over arch-rival Dover.

One of the main troubles for the Phils was the lack of a good quarterback. But midway in the season Rick Linard got the call and did a very commendable job the rest of the season.

Another "pain" for Coach Al Christopher and his charges was the inability to play a complete game. In six contests the Quakers either led or were tied at halftime. However, they were on the short end when the final gun sounded.

The Quakers suffered several injuries to key players during the season. Guard Bob Mathias only got to play in three of the games because of a knee injury.

Coaches Miller, Christopher, Fryman, and Dunn celebrate after the Dover victory.

Halfback Larry Perkins only played in a few contests, also due to an injured knee. Dan Mamula threw a beautiful block to set Terry Keiser loose on his 99 yard punt return, but in the process, Dan injured his back and missed several encounters with the "enemy".

Some of the highlights of the past season are: Punt returns of 62 and 99 yards, for touchdowns, by Keiser; Dale Tate and Dave Moreland gained 111 and 122 yards, respectively, in the Dover game.

The Quakers, as a whole, gained 1545 yards on the ground and 202 yards in the air on 22 completions in 66 attempts. Opponents rushed for 2429 yards and also garnered 390 yards in the air.

Senior fullback Dale Tate was the leading ground gainer, lugging the pigskin 116 times for 464 yards, while Tom Fargasse had the best average of 4.4 yards per carry, gaining 289 yards on 65 carries.

Eric Gribble snags a pass from Quarterback Rick Linard.

The balanced attack also showed Keiser with 440 yards on 109 attempts and Moreland with 163 yards on 38 carries for a 4.3 average. Both Keiser and Tate averaged 4 yards per carry.

Jon Clay was the best tackler on the team with Eric Gribble, last year's tackling champ, and Fragasse close on Clay's heels.

The seniors led the scoring with Keiser and Fragasse scoring 46 and 24 points respectively.

Thirteen seniors have graduated from this year's team. They are: Bob Celce, Eric Gribble, Dave Ladrach, Dan Mamula, Bob Mathias, Dann Johnston, Cuyler Traschel, Terry Keiser, Tom Fragasse, Dale Tate, Stan Tate, Joe Moesta, and Larry Perkins.

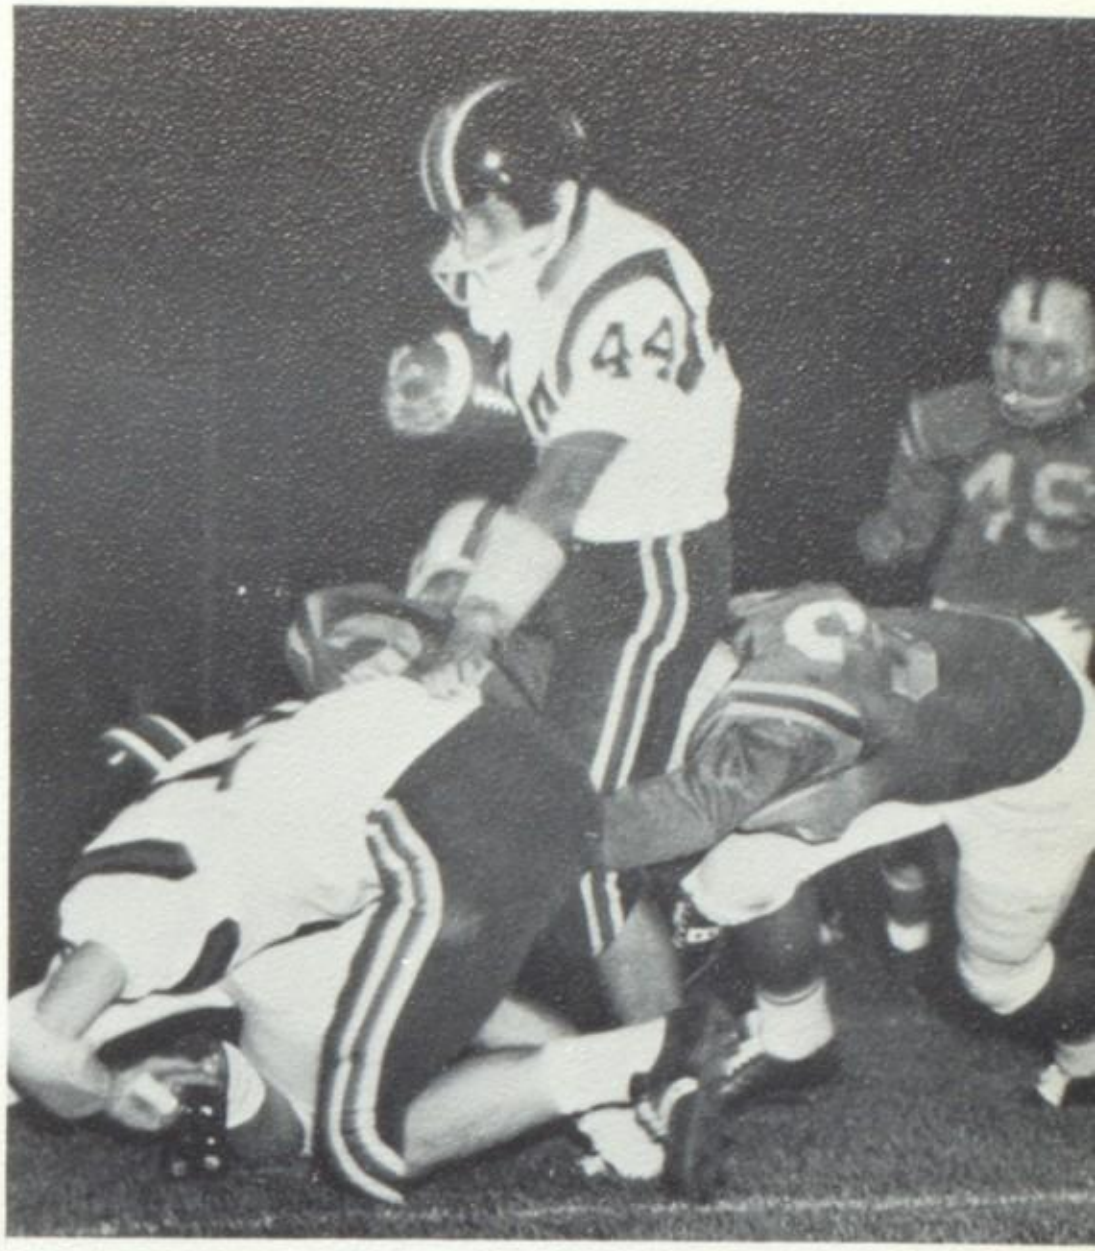
Congratulations to Coaches Al Christopher, Al Dunn, Dick Fryman, and Sam Miller for putting forth a good effort for the New Philadelphia football team.

# Christopher Quotes

The students of New Philadelphia will not remember the football team this year, but they will remember that in 1963 New Philadelphia beat Dover.

Our 2-6-2 record was no indication of our football team. There were times when we played good solid football and then there were other times. We certainly hope, through the efforts of the community, students, and team to unite as one to defeat our last opponent, will serve as a yardstick to prove what must be done in order to win football games. This effort must be started for the first game and carried right through to the last. We had a fine group of boys this year, and we are sure they will represent the school as well in the future as they have in the present.

Time, effort, and the desire to attain a goal plus unity by all will tell what will happen next year.



Terry Keiser is brought down from behind by a Wooster player.

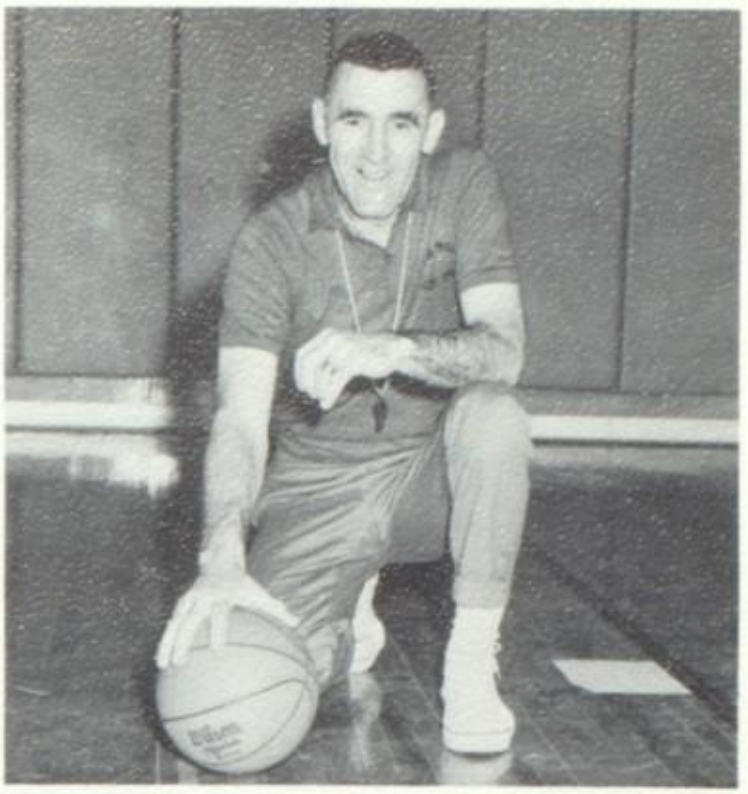
The 1963-'64 New Philadelphia Quakers, under the leadership of Leo Benjamin, completed the school's most successful season since we won the state championship in 1940. The Phils finished the season with a 19-5 record, compared to the25-0 record posted by the 1940 quintet.

Our Quakers ended up second in the Cardinal Conference behind champion Ashland. Three of the five defeats were to Cardinal Conference teams. After winning their initial outing over Cambridge, New Phila dropped two successive games, one to Coshocton, the other to Mansfield Malabar. However they then stormed back to ten straight victories, including "revenge" wins over the two teams that had beaten them.

On January 31, Phila traveled to Ashland and took a hard-earned decision over the Arrows. This win placed us in a tie for first place in the C.C. with Ashland, and also gave the Quakers their tenth straight victory. But the following night Phila took the floor against state-ranked Massillon and dropped a ten point loss to the Tigers. In the opinion of most of the Phils followers, the Quakers could have won the game if not for the tough game the night before.



Leo Benjamin just completed his 11th year as head coach.

Sophomore Tom Struchen puts one up and in during the Massillon game.

Phila then came back and beat Uhrichsville and Dover. The fine Tiger team, coached by John Stozich, lost but three games this year; two of them to Phila.

In the next to last scheduled game, "Leo's Lions" tangled with Ashland to determine the champ of the C.C. With the score tied at 56-56 with 1:17 minutes remaining in the game, Phila waited until three seconds left before Mike Beitzel took his favorite shot, from the corner, which was just a shade too long. In the extra frame, the Quakers missed five shots and threw the ball away several times thus permitting the Arrows to win 60-59, and to reign as the C.C. champs in basketball, football, and wrestling.

Fait says, "Make room men!"

Junior Mark Francis drives in against a Coshocton player.

Bob Celce and a West Lafayette player stretch for a rebound.

The mighty Quakers then stormed back to six consecutive triumphs before ending the season against Canton-McKinley, in the semi-finals of the Regionals played at the Coliseum in Columbus (see page 104 for tournament results).

Five seniors will not return to the Quaker fold next year. They are, Mike Beitzel, Eric Gribble, Bob Celce, Bob McCulloch, and Al Crane. However Coach Benjamin will have Mark Francis, Jan Fait, Tom Struchen, Rick Linard, Larry Fisher, and Jon Clay, plus some fine reserve team performers, back to form a solid nucleus for the 1964-65 campaign.

The Quaker gymnasium was filled to the hilt on several occasions, including 2,700 screaming fans at the sectional finals against Coshocton. We want to thank all who supported the Quakers this past season.

The scoring was well-balanced this year. In all but two games, there were at least two men in double figures, with as many as four players in two digits many times throughout the year. Beitzel, Gribble, Celce, and Francis, finished the season with an average of ten or more points per game.

Mike Beitzel was one of seven county players nominated from the Southeastern District for the All-Ohio Team. All the students of New Phila want to express their congratulations to him.

Also congratulations to coaches Leo Benjamin and Larry Chaney for directing the varsity and reserve teams, respectively, to winning seasons.

# Tournaments

DOVER: Although hard pressed by the Tornadoes throughout the game, the Phils pulled it out of the bag, 54-47. Thus this victory was the first time that a Quaker quintet had ever beaten a Dover team three times in one season. Dover played a ball control game, but at the outset of the second half, Phila scored 14 straight points and were never behind after that. Bob Celce led Phila with 14 points.

WEST LAFAYETTE: The final score of 70-59, does not give much indication of the closeness of the game. The score was tied 55-55 with 4:40 minutes left to go. However, a patented spree of quick points gave us the final margin of 11 points. Mike Beitzel and Eric Gribble led the scoring with 21 points apiece.

COSHOCTON: A fine all-around game by each payer gave the Quakers the sectional trophy. As the final score, 59-51, indicates, the game was close throughout. The largest lead was 10 points, and Mike Beitzel again came through with 21 markers. This victory permitted New Phila to advance to District play at Steubenville.

MARTINS FERRY: The Quakers set a modern rebounding record as they grabbed 46 caroms in defeating the Purple Riders 62-47. "Leo's Lions" won this game at the foul line as both teams made 20 field goals, however Phila made 22 to the Riders 7 foul shots. Beitzel again led all scorers with 23 points.

STEUBENVILLE: The New Philadelphia combine advanced to Regional play as they snarred their sixth District crown from the rugged Big Red 61-49. Falling behind at the outset of the third quarter, the Phils roared back with 12 straight markers to end the quarter with a 7 point lead they never relinquished. Bob Celce led the scoring with 16.

CANTON McKINLEY: Playing one of their poorest games of the year, the Phils fell to the powerful Bulldogs, 68-51. Although Phila hit 25 foul shots, they could only mesh 13 field goals, compared to McKinley's 28 field goals and 12 fouls. Mike Beitzel led the Quakers with 20 markers.

# Coach Benjamin Says:

"Many people in our community commented that we should have a fine basketball season in 1963-64. I am extremely happy that our boys came through for themselves, their school, and the community.

Every coach knows he has to have the men to win. We had these fine young men. Every member of this team had the desire, spirit and a very good attitude. One of their strong points was unselfishness. They played as a fine team should. It made me proud to be a member of this group.

I want to thank each and everyone of New Philadelphia High School for their fine support. They, like their basketball team, were tremendous."

Leo shouts instructions to the team.

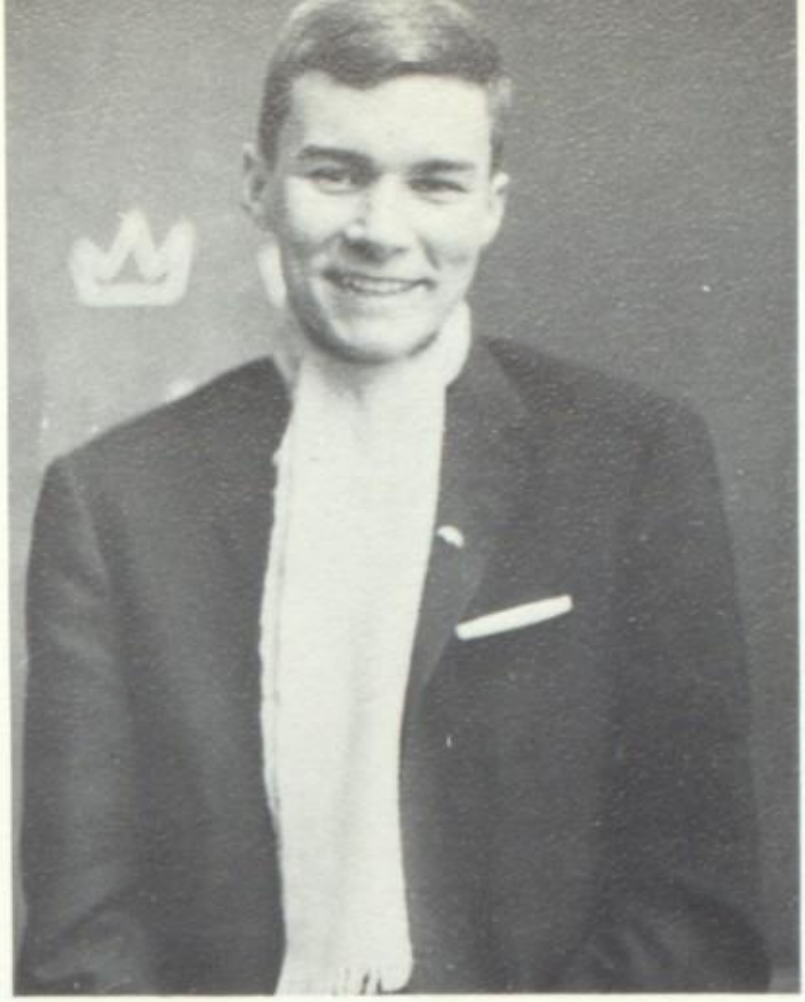
# Quaker Corners

With the capping of the 1964 Quaker Girl, Sunday Murphy, September 6, the football season filled with school spirit began for NPHS. September 17 through October 1 was the money-making Curtis Magazine Drive sponsored by the Delphian Staff.

The third month of school began with Homecoming night. That memorable evening the 1964 Homecoming Queen was crowned and her attendants were honored. The lively snake dance and the flaming bonfire for the long-awaited Dover-Phila football game was a great success November 7. The majorettes with their enjoyable dance and the cheerleaders with their vigorous yells made the night especially pleasing.



# Our Friend From Sweden

Bo Bangtsson, our Swedish exchange student, has spent this last year as a senior at N.P.H.S. He has become a member of the Hi-Y, the Speech Activities Club, and was on the Student Council. Bo's muffler and his sandals have become a familiar sight to us and will surely be missed.

Having been asked about our school, he replied that he thought the students did not take their studies seriously enough.

Bo, who is interested in nuclear physics, but who will probably become an engineer, says that he has gained a knowledge of the habits and customs of other people through his stay in the U.S. Although winter here is not as cold as in his home town, Uppsala, Sweden, the summer here is much too warm, according to him.

Bo has enjoyed his stay here very much and has greatly appreciated the friendliness shown him.

We wish for him a happy and prosperous future in his beloved homeland.

On homecoming night the field was aglow with excitement. Here we see the homecoming queen and court coming across the field while the band plays "Sweet and Lovely," and how appropriately.

The Pep Club is always at the games, cheering the team on.

A familiar sight to all at the home basketball games, the coat check.

Students usually went to the Youth Center after a game.

On Nov. 21, the senior students presented the comedy play, "Thin Ice" to the students of N.P.H.S.; it brought much amusement and laughter. The annual Dover-Phila Tri-Hi-Y Sweater Hop was held at the "Y" in Dover in the style and theme of "Sugar Shack."

As the colder wintry days brought us students closer to Christmas and its vacation time, the "Snow Flake Frolic" brightened our spirits on December 19th. The dance band played for the students, and Santa Claus (really Mr. Pocock) made a grand entrance.

A couple at the Snow Flake Frolic enjoy themselves.

The annual event of the bonfire with its glorious splendor for the Dover-Phila football game this year had its traditional snake-dance and cheers for the team. The fire added its warmth and spirit. The uproar for the team continued through the next day and to victory Friday night.

In April was the annual Spring Formal, which was sponsored by the Dover-Phila Tri-Hi-Y and held in our gym. The formally dressed danced to rhythmic music and chatted merrily at the provided tables.
